

Product overview

product name	Anti-Human ROR1 Antibody (SAA0140)
catalog No.	FHF90710
Brand	Antibodysystem
Host	Human
Species specificity	Human
Tested applications	FCM
Clonality	Monoclonal
Conjugation	Unconjugated
Alternative Names	Neurotrophic tyrosine kinase, receptor-related 1, Inactive tyrosine-protein kinase transmembrane receptor ROR1, NTRKR1, ROR1
Uniprot ID	Q01973
Note	For Research Use Only.

Product performance

Form	Liquid
Buffer	PBS, pH 7.4, containing 0.09% sodium azide.
Storage	Store undiluted antibody solution at 2°C to 8°C. Do not freeze.
Concentration	1 mg/ml
Isotype	IgG1-Kappa
Purity	> 95% by SDS-PAGE.
